Logo Rationale:

The Shay's logo is a classic modern logo represented by disruptive icons, duplicated upside-down to create a negative space that stands for letter "S" the first letter in the brand's name.

Fonts Used: The "PlayfairDisplayBold-nRv8g was adopted in the brand's name because of its fashionable outlook and elegant feel.

Logo Interpretation:

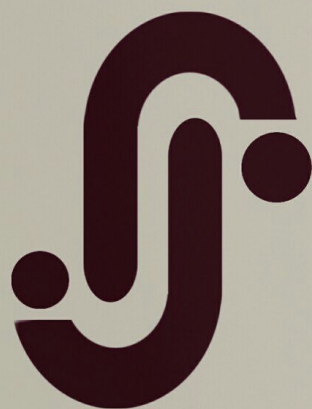

The Logo represents the brand's purpose as a hub of merchandise; the openings in the logo imitates a passage way where customers can flow in and have an easy transaction experience.

Overall, the design itself solves the problem of identity making the brand unique in its simplicity and elegance.
